

2. Application for Issuance of Biosafety Permit for Commercial Propagation

The Biotechnology Office of the Bureau of Plant Industry (BPI) issues Biosafety Permit for Commercial Propagation

Office:	Biotechnology Office				
Classification:	Highly Technical				
Type of Transaction:	G2B – Government to Business,	G2B – Government to Business, G2G – Government to Government			
Who may avail:	1. Departments or agencies	of the Philippine	Government		
	2. University-based research	n institution in the	Philippines		
	3. International research org	anization duly red	cognized by the Phili	ppine Government and	
	based in the Philippines, subject	to terms and cor	nditions agreed betwe	een the organization	
	and the government of the Philip	•			
	4. Corporation registered with	th the Securities a	and Exchange Comm	nission of the	
	Philippines				
	<ol><li>Cooperative registered wi</li></ol>	th the Cooperativ	e Development Auth	ority of the Philippines	
CHECKLIST O	ST OF REQUIREMENTS WHERE TO SECURE				
Application Form			BPI Central Office-	Biotechnology Office	
2. Technical Dossiers					
<ol><li>Risk Assessment Report</li></ol>					
4. Proposed Public Information Sheet					
5. Insect Resistance Management, if appl	lication				
6. Proof of Payment					
CLIENT STEPS	AGENCY ACTION FEES TO BE PROCESSING PERSON				
	PAID TIME RESPONSIBL				
	Check application and				
Submit pertinent documents	supporting documents for	None	15 minutes	Biotechnology Office	
	sufficiency				

2. Secure a copy of the Order of Payment and pay the Application Fee	2.1 Prepare acknowledgment receipt			Biotechnology Office	
	2.2. Issue Order of Payment	Php 1,000.00	30 minutes	Accounting Section	
	2.3 Issue Official Receipt			Cashier Section	
3. Receive official acceptance letter for the application	3.1 Review completeness and sufficiency of technical documents	None		Biotechnology Office	
	3.2 Issue acceptance letter and posting of application on BPI or Biotechnology website				
	3.3 Inform and request National Committee on Biosafety of the Philippines (NCBP) to post the application on the NCBP website	None		Biotechnology Office  NCBP	
	3.4 Farm out and endorse the application documents to concerned agencies and assessors	None	3 working days upon acceptance of application	Biotechnology Office	

Conduct of Public Participation through	4.1 Issue approved PIS for website posting and newspaper		3 working days upon acceptance	BPI Director
posting and publication of PIS*	publication	None	of application	Biotechnology Office
	4.2 Confirm the publication and		Within 3 working	Biotechnology Office
	posting of the approved PIS	None	days after receipt	
		140110	of the approved	Applicant
			PIS from the BPI	
	4.3 Post the approved PIS on		3 working days	Biotechnology Office
	the BPI or Biotechnology Office	None	upon acceptance	
	website		of application	DDI Divo ete v
	4.4 Conduct the public comment		15 working days	BPI Director
	period	None	after the posting and publication of	Biotechnology Office
		None	PIS	Biotecinology Office
			1 10	Applicant
	4.5 Compile the received comments and endorse to the applicant	None	2 working days after the termination of the public comment period	Biotechnology Office
	4.6 Collect the applicant's response to the received comments during the public comment period	None	5 working days after the endorsement of compiled comments to the applicant	Biotechnology Office  Applicant

	4.7 Endorse the consolidated		2 working days	Biotechnology Office
	report, reflecting the public comments the applicant's response, to the BPI Director	None	after the receipt of the compiled comments	BPI Director
5. Pay Risk Assessment Review Cost	5.1 Prepare Acknowledgment Receipt			Biotechnology Office
	5.2. Issue Order of Payment	180, 000**	30 minutes	Accounting Section
	5.3 Issue Official Receipt			Cashier Section
	1045	To de la	Med to 40 or 11 or	
6. Attendance to the Joint Assessment Group (JAG) meeting(s)*	6.1 Evaluate and conduct the safety risk assessment of the application during the 1 <sup>st</sup> or final JAG Meeting	Included in the Risk Assessment Review Cost	Within 10 working days after the receipt of the application from the BPI	JAG Biotechnology Office
			the Bi i	Applicant
	6.2 Request additional information from the applicant,			JAG
	if necessary	None		Biotechnology Office
				Applicant
	6.3 Collect the requested additional information from the	None	Within 5 working days upon the	Biotechnology Office
	applicant		endorsement of	Applicant

			1
		the request for additional	
		information	
6.4 Conduct of the second or		Within 5 working	JAG
final JAG meeting, if deemed		days upon receipt	D: 1 1 0"
necessary	None	of the requested additional	Biotechnology Office
		information	Applicant
		inionnation	
6.5 Request additional			JAG
information from the applicant,			Distantant Office
if necessary	None		Biotechnology Office
			Applicant
6.6 Collect the requested		Within 5 working	
additional information from the		days upon the	District selection Office
applicant	None	endorsement of	Biotechnology Office
	None	the request for	Applicant
		additional information	πρριισαπι
		IIIIOIIIIalioii	
6.7 Submit the JAG's final		Within 7 working	JAG
recommendation document to		days after the	D: /   000
the BPI Director		conclusion	Biotechnology Office
	None	meeting(s) of the JAG and resolving	BPI Director
		all requests for	DI I DIICOLOI
		additional	
		information	

			and other outstanding issues.	
7. Receive decision on the proposed IRM plan for events with Insect Resistant (IR) trait*	7.1 Endorse the proposed IRM plan to the Insect Resistance Management Advisory Team (IRMAT) and Post Approval Monitoring Group (PAMG)	None	3 working days upon the acceptance of the application	Biotechnology Office IRMAT PAMG
	7.2 Evaluate and assess the proposed IRM plan	Included in the Risk Assessment Review Cost	20 working days but may be extended once for	Biotechnology Office IRMAT PAMG
	7.3 Endorsement of the IRMAT recommendation to the BPI Director	None	the same number of days if needed	Biotechnology Office IRMAT BPI Director
8. Receive the decision on the application	8.1 Review the recommendations and decide whether to approve or disapprove the application	None	5 working days to approve or deny upon receipt of recommendation document	BPI Director
	8.2 Approve the application through the signing of the Biosafety Permit for Commercial Propagation, or issue a letter informing the disapproval of the application	None		BPI Director Biotechnology Office

·			
8.3 Release the original copy of the signed Permit for Commercial Propagation to the applicant	None	5 minutes	Biotechnology Office
8.4 Endorse the certified true copies of the Biosafety Permit to the Biosafety Committees			Department of Science Technology - Biosafety Committee (DOST-BC)
			Department of Agriculture-Biosafety Committee (DA-BC)
	None		Department of Environment and Natural Resources- Biosafety Committee (DENR-BC)
			Department of Health-Biosafety Committee (DOH- BC)
			Biotechnology Office

OF THE N	T OF A	GRICUITO		
		1		
	1898	BUREAU	FPLANT	MOUSE

	8.5 Post the Biosafety Permit on the Biotechnology or BPI website	None	24 hrs within the receipt of the applicant	Biotechnology Office
8. Fill out the Customer Satisfaction Form (CSF)	Issue and collect the accomplished CSF	None	2 Minutes	Biotechnology Office  Applicant
	TOTAL		40 working days***	

<sup>\*</sup>Simultaneous process

## **Commercial Propagation**

\*\*Computation of Fees

Activity	Estimated Cost			
	Logistic and other Support Services	Unit Amount (Php)		
Issuance of acknowledgment letter and posting of application on Biotechnology website	Communication/ Documentations	10,000.00		
Biotechnology website	Supplies and materials	10,000.00		
Farming out and endorsement of Application documents to concerned agencies	Travel expenses	10,000.00		
IRMAT Risk Assessment Review	Payment for risk assessment review (10,000.00 x 6 IRMAT expert)	6,000.00		
Pre-Evaluation of DA-BC	Payment for risk assessment review (meetings)	5,000.00		
Evaluation and Safety Risk Assessment of the application and 1st JAG Meeting. A second and final meeting may be conducted if deemed necessary.	Meeting, communication, documentation, & others	5,000.00		

<sup>\*\*\*</sup>The total processing time only includes the process from the official acceptance of the application to its approval/disapproval. Moreover, the duration may be affected by the evaluation of the IRMAT.

	Payment for risk assessment review (15,000.00 x 3 DA-BC expert)	45,000.00
2 <sup>nd</sup> and final JAG Meeting and Risk Assessment	Meeting expenses, documentation, and others	5,000
Sub-Total		150,000
Incidental Expenses/ logistic support/ purchase of supplies and equipment (20 percent of Sub-Total)		30,000
Grand Total		180,000
